

Report Number: 155

SEN: Hearing Impairment

EHCP REPORT #155

Section A: Views, interests, and aspirations

[Student Name] is an 11-year-old girl who enjoys creative arts, particularly drawing and digital animation. She expresses a desire to become a graphic designer. She feels frustrated when she misses instructions in class due to her hearing impairment and finds it difficult to keep up with fast-paced group discussions. She aspires to be more independent in her learning and to build stronger friendships with her peers.

Section B: Special educational needs

1. **Hearing Impairment:** [Student Name] has a permanent hearing impairment requiring the use of hearing aids and assistive listening technology. She experiences significant difficulty accessing auditory information in noisy environments.
2. **Moderate Learning Difficulties (MLD):** [Student Name] experiences delays in literacy and numeracy attainment compared to her chronological peers. She requires support to process complex information, consolidate learning, and develop independent study skills.

Section C: Health needs

[Student Name] requires regular monitoring of her hearing aids and audiological equipment. She needs to be positioned in the classroom to maximize visual access to the teacher and peers to support lip-reading and communication.

Section D: Social care needs

[Student Name] requires support to develop social communication strategies to navigate peer interactions, particularly in unstructured settings like the playground, where background noise levels are high.

Section E: Outcomes sought

1. **Communication:** [Student Name] will independently manage her assistive listening technology and advocate for her communication needs in 80% of lessons.
2. **Literacy:** [Student Name] will improve her reading comprehension and written output to be within 12 months of age-related expectations.
3. **Social:** [Student Name] will initiate and sustain positive interactions with peers during break times with minimal adult prompting.

Section F: Special educational provision

1. **Specialist Teaching:** Weekly sessions with a Qualified Teacher of the Deaf (QToD) to support language development and access strategies.
2. **In-class Support:** Access to a Teaching Assistant (TA) trained in hearing impairment awareness to support the delivery of differentiated curriculum materials.
3. **Curriculum Access:** Pre-tutoring of key vocabulary and post-lesson consolidation sessions to address MLD needs.
4. **Equipment:** Use of a radio aid system in all lessons and regular maintenance checks of hearing aids.

Section G: Health provision

1. Annual audiology review and maintenance of hearing equipment.
2. Staff training on the use of radio aid systems and awareness of the impact of hearing impairment on learning.

Section H1: Social care provision (CSDPA 1970)

Provision of social skills training groups to support the development of peer relationships and self-advocacy skills.

Section H2: Additional social care provision

Access to after-school enrichment clubs with appropriate communication support to foster social inclusion.

Section I: Placement

[Name of School], a state-funded secondary school with a resourced provision for hearing-impaired students.

Section J: Personal budget / direct payments

Not applicable at this time.

Section K: Assessment evidence and advice

1. Educational Psychologist Report (dated [Date]).
2. Audiology Report (dated [Date]).
3. Speech and Language Therapy Assessment (dated [Date]).
4. School Progress Data and Teacher Observations.
5. Parent and Student Consultation Records.
