

Report Number: 281

SEN: Moderate Learning Difficulty

EHCP REPORT #281

Section A: Views, interests, and aspirations

[Student Name] is a 14-year-old female who enjoys creative arts, particularly drawing and digital animation. She expresses a desire to become more independent in her daily routines and hopes to attend a local college to study graphic design when she leaves school. She values her friendships and enjoys participating in group projects where she can share her ideas visually.

Section B: Special educational needs

1. Moderate Learning Difficulty (MLD): [Student Name] experiences significant delays in literacy and numeracy compared to her peers, requiring a modified curriculum and high levels of scaffolding to access age-appropriate concepts.
2. Speech, Language, and Communication Needs (SLCN): [Student Name] has difficulties with expressive language, specifically in structuring complex sentences and processing multi-step verbal instructions. She requires visual supports to aid comprehension.

Section C: Health needs

None identified beyond those managed within the school's universal health provision.

Section D: Social care needs

[Student Name] requires support to develop social confidence and self-advocacy skills to navigate community settings safely and independently.

Section E: Outcomes sought

1. Literacy: To improve reading comprehension and written output to enable [Student Name] to complete independent tasks in class.
2. Communication: To increase the ability to initiate and maintain social interactions with peers using structured communication strategies.
3. Independence: To develop functional numeracy skills (e.g., money management and time-telling) to support transition to post-16 education.

Section F: Special educational provision

1. Small group teaching for core subjects (English/Maths) with a focus on differentiated tasks.
2. Daily access to visual timetables and "chunked" instructions to support SLCN.
3. Weekly sessions with a Speech and Language Therapist (SLT) to work on social communication and expressive language targets.
4. Use of assistive technology (e.g., speech-to-text software) to support written work.

Section G: Health provision

Annual review of health needs by the school nursing team to ensure general wellbeing.

Section H1: Social care provision (CSDPA 1970)

Access to after-school social clubs to promote peer interaction and community integration.

Section H2: Additional social care provision

Support from a key worker to assist with travel training and community-based independence skills.

Section I: Placement

[Name of State-Funded Special School].

Section J: Personal budget / direct payments

Not applicable at this time.

Section K: Assessment evidence and advice

- Educational Psychologist Report (dated [Date])

- Speech and Language Therapy Assessment (dated [Date])
- School Progress Reports (Autumn/Spring Term)
- Annual Review Meeting Minutes (dated [Date])
