EHCP REPORT #70

Section A: Views, interests, and aspirations

[Student Name] is a 13-year-old male who enjoys participating in team sports, particularly football, and has a keen interest in digital media and gaming. He aspires to gain the functional skills necessary to attend a local college and eventually work in a role involving technology or sports coaching. He expresses a desire to "keep up with his friends" in class and feels frustrated when he cannot understand complex written instructions.

Section B: Special educational needs

[Student Name] has Moderate Learning Difficulties (MLD). He experiences significant delays in literacy and numeracy compared to his chronological age. He requires support to process multi-step verbal instructions and struggles with working memory, which impacts his ability to retain information during lessons. He requires a differentiated curriculum to access the secondary school environment.

Section C: Health needs

None identified at this time.

Section D: Social care needs

[Student Name] requires support to develop age-appropriate social communication skills and self-regulation strategies to navigate peer interactions during unstructured times, such as lunch and break periods.

Section E: Outcomes sought

1. To improve literacy levels to enable independent reading of functional texts by the end of Year 9.
2. To develop independent study skills, reducing reliance on 1:1 adult support by 25% by the end of Year 9.
3. To successfully navigate unstructured social times by initiating and maintaining positive interactions with peers.

Section F: Special educational provision

- Access to a differentiated curriculum with scaffolded tasks in all core subjects.
- Small group interventions for literacy and numeracy (3 sessions per week).
- Use of visual aids, writing frames, and ICT software (e.g., speech-to-text) to support written output.
- Regular monitoring by the SENCO to ensure progress against MLD-specific targets.
- Access to a quiet workspace during assessments to minimize distractions.

Section G: Health provision

None required.

Section H1: Social care provision (CSDPA 1970)

None required.

Section H2: Additional social care provision

Access to a school-based social skills group or mentor to support the development of peer relationships and emotional regulation during unstructured times.

Section I: Placement

[Name of State-Funded Secondary School].

Section J: Personal budget / direct payments

Not applicable.

Section K: Assessment evidence and advice

- School-based assessment data (Year 8).
- Teacher observations regarding classroom engagement and attainment.
- Parent/Carer consultation meeting notes.
- Student interview record.
- SEN Support plan review documentation.
